

SAFETY

SEAT BELT SAFETY PROGRAM (Grades K-12)

This program educates Florida's youth about seat belt safety laws, the purchase of safety equipment and the proper usage of the equipment. The curriculum is delineated by age group and addresses each level appropriately. This program is funded by the Florida Department of Transportation.

Resources: Teacher/leader guide, student workbooks, and posters.

ON YOUR OWN (Grade 3)

This program recognizes that children are sometimes left home alone and need coping skills. Lessons cover personal safety, fire safety, and healthy no-cook snacks, feelings of loneliness and boredom, and discussing rules with parents. Handouts include guidelines for parents.

Resources: Lesson plans, videos, student handouts, certificates, training for presenter if requested. (Presenter can be a volunteer, paraprofessional or teacher)
