

Course Description

Limited Commercial Landscape Maintenance Class and Exam*

A licensing class/ exam for commercial landscape maintenance employees who want to apply pesticides in landscape beds. This is commonly known as the "Round-Up" certificate. This category is not for turf applications.

Ornamental and Turf Class

For owners or employees or commercial technicians that want to use **restricted use** pesticides in parks, resorts, golf courses, cemeteries, etc. Please be prepared to take the exams by reviewing the questions at the end of each chapter in the two study guides: SM7: Ornamental and Turfgrass Pest Management and SM1: Applying Pesticides Carefully, available from IFAS Bookstore, 1-800-226-1764.
