

Would you like to have a beautiful 'Florida-Friendly' yard and save money at the same time?

Join us for a Florida Yards & Neighborhoods (FYN) class. Each of the nine guiding principles will be explored so you can apply your knowledge to your individual yard.

Learn to choose the **right plant for the right place, irrigate efficiently** and **mulch effectively** to turn your yard into a water-efficient, low maintenance, economical Florida-friendly environment.
