

Would you like to have a beautiful 'Florida-Friendly' yard
and save money at the same time?

Join us for a Florida Yards & Neighborhoods (FYN) class.
Each of the nine guiding principles will be explored so you can
apply your knowledge to your individual yard.
Learn to choose the **right plant for the right place, irrigate efficiently**
and **mulch effectively** to turn your
yard into a water-efficient, low maintenance, economical
Florida-friendly environment.
