

Landscape 101

A program for the
home gardener

Whether it's called landscape, garden or yard it's a big investment in time and money for the homeowner. Learning how to choose the right plants, how to keep them healthy and how to discourage insect pests and plant diseases can save additional time and money.

Landscaping 101 is a seven-week program designed to help the home gardener make the most of their investment. Topics include Plant Selection, Irrigation, Fertilization, Pruning, and more... Pre-registration is required .

When: Every Wednesday, May 6 - June 24
6 p.m. - 8 p.m.

Where: Collier County Extension Office
14700 Immokalee Road, Naples

Cost: \$50 (Due the first day of class)
