

## UF / IFAS Recommended Fertilizer Retail Sources Collier County

**This listing is subject to change** as local retailers verify that they employ GI-BMP Certified Professionals, and/or verify that they carry at least one product that meets the UF / IFAS recommended fertilizer specification and manufacturers identified Dr. Timothy Broschat in these two publications:

1. IFAS publication ENH1009 Fertilization of Field Grown and Landscape Palms in Florida, online at <http://edis.ifas.ufl.edu/pdf/EP/EP26100.pdf> revised September 2014.
2. Sources for Recommended Palm and Landscape Fertilizers, available through the Collier County Extension office.

These local nurseries and garden centers

- Have FFL GI-BMP Certified Professionals on their staff
- Have been known to carry at least one product that meets the UF / IFAS recommended fertilizer specification. Verification is underway.
