Grow healthy citrus!

When: Saturday Feb 18, 2012, 10:00 to 12:00

This class will address the number two plant question at our Plant Clinics. “What’s wrong with our citrus?”

Who-What: Dr. Mongi Zekri will be holding a citrus class at the Extension office on Sat. Feb. 18 from 10 to 12. He will cover popular citrus varieties, planting, fertilization, and pest management of dooryard Florida citrus to keep them productive. Also, this is a chance to taste and pick your favorite sweet orange, tangerine, and grapefruit as there will be a tasting of various citrus.

Where: Extension Office at 14700 Immokalee Rd.
PLEASE call to register at 353-4244; registration required
